

FRIENDS

Thank you for your interest in Habitat for Humanity of Omaha, Inc. FRIENDS. We welcome your support as we begin our 4th year of friend raising and fundraising. We sponsor three events that raise money and awareness of the Habitat for Humanity of Omaha Mission.

Women's Power Luncheon
April 29, 2010

The Women's Power Luncheon will be held at the Holiday Inn Central Thursday, April 29th. Funds raised will support the Women Build Habitat home.

Brew HaHa
September 9, 2010

Our Fourth Annual Brew HaHa will be held at the Lewis and Clark Landing Thursday, September 9th. Food and beer tasting from many local restaurants and microbreweries makes this a "must attend" outdoor function. We will be collaborating with Habitat Omaha's Young Professionals to make this event even better this year.

Raise the Roof Gala
November 4, 2010

The Raise the Roof Gala will be held Thursday, November 4th at the Harper Center at Creighton University. This event promises to be an enjoyable evening of unique and entertaining fundraising.

In 2009, the FRIENDS were able to fund an entire house with proceeds from these events. Thank you for joining the Habitat Mission of Building Houses, Building Hope. With your support, we will be able to help even more families attain their dream of homeownership in 2010.
